## **MALTREATMENT OF VULNERABLE MINORS MANDATED REPORTING**

This policy is for all providers licensed by the Minnesota Department of Human Services

### **Who Should Report**

- Any person may voluntarily report abuse or neglect.
- If you work with children in a licensed facility, you are mandated (required) to report and cannot shift the responsibility of reporting to your supervisor or to anyone else at your licensed facility. If you know or have reason to believe a child is being or has been neglected or physically or sexually abused within the preceding three years you must immediately (within 24 hours) make a report to an outside agency

### **Where to Report**

- If you know or suspect that a child is in immediate danger, call 911.
- Reports concerning suspected abuse or neglect of children occurring in a licensed child foster care or family childcare facility should be made to county child protection services.
- Reports concerning suspected abuse or neglect of children occurring in all other facilities licensed by the Minnesota Department of Human Services should be made to the Department of Human Services, Licensing Division's Maltreatment Intake line at 651-431-6600.
- Reports regarding incidents of suspected abuse or neglect of children occurring within a family or in the community should be made to the local county social services agency at **612-348-3552** or **county the child resides in** or local law enforcement at **952-563-4900**.
- If your report does not involve possible abuse or neglect but does involve possible violations of Minnesota Statutes or Rules that govern the facility, you should call the Department of Human Services Licensing Division at 651-431-6500.

### **What to Report**

- Definitions of maltreatment are contained in the Reporting of Maltreatment of Minors Act (Minnesota Statutes, section 626.556) and should be attached to this policy.
- A report to any of the above agencies should contain enough information to identify the child involved, any persons responsible for the abuse or neglect (if known), and the nature and extent of the maltreatment and/or possible licensing violations. For reports concerning suspected abuse or neglect occurring within a licensed facility, the report should include any actions taken by the facility in response to the incident.
- An oral report of suspected abuse or neglect made to one of the above agencies by a mandated reporter must be followed by a written report to the same agency within 72 hours, exclusive of weekends and holidays.

### **Failure to Review**

- A mandated reporter who knows or has reason to believe a child is or has been neglected or physically or sexually abused and fails to report is guilty of a misdemeanor.
- A mandated reporter who fails to report maltreatment that is found to be serious or recurring maltreatment may be disqualified from employment in positions allowing direct contact with persons receiving services from programs licensed by the Department of Human Services and by the Minnesota Department of Health, and unlicensed Personal Care Provider Organizations.

### **Retaliation prohibited**

- An employer of any mandated reporter shall not retaliate against the mandated reporter for reports made in good faith or against a child who is the subject of the report.
- The Reporting of Maltreatment of Minors Act contains specific provisions regarding civil actions that can be initiated by mandated reporters who believe that retaliation has occurred.

### **Internal Review**

- When the facility has reason to know that an internal or external report of alleged or suspected maltreatment has been made, the facility must complete an internal review within 30 calendar days and take corrective action, if necessary, to protect the health and safety of children in care.
- The internal review must include an evaluation of whether:
  - I. related policies and procedures were followed;
  - II. the policies and procedures were adequate;
  - III. there is a need for additional staff training;
  - IV. the reported event is similar to past events with the children or the services involved; and
  - V. there is a need for corrective action by the license holder to protect the health and safety of children in care.

### **Primary and secondary person or position to ensure reviews completed**

The internal review will be completed by Sue Redepenning. If this individual is involved in the alleged or suspected maltreatment, Jamie Henriksen will be responsible for completing the internal review.

### **Documentation of Internal Review**

The facility must document completion of the internal review and make internal reviews accessible to the commissioner immediately upon the commissioner's request.

### **Corrective Action Plan**

Based on the results of the internal review, the license holder must develop, document, and implement a corrective action plan designed to correct current lapses and prevent future lapses in performance by individuals or the license holder, if any.

### **Staff Training**

The license holder must provide training to all staff related to the mandated reporting responsibilities as specified in the Reporting of Maltreatment of Minors Act (Minnesota Statutes, section 626.556). The license holder must document the provision of this training in individual personnel records, monitor implementation by staff, and ensure that the policy is readily accessible to staff, as specified under Minnesota Statutes, section 245A.04, subdivision 14.

### **Provide Policy to Parents**

The mandated reporting policy must be provided to parents of all children at the time of enrollment in the childcare program and must be available upon request.

**THIS REPORTING POLICY MUST BE POSTED IN A  
PROMINENT LOCATION, AND BE MADE AVAILABLE UPON  
REQUEST**
